Buckley Loop

43 Miles

SAG Number: (253)-226-5779

- Helmets are required.
- Share the road when riding. We want car drivers to perceive that we are courteous and sensitive to the fact that there are so many of us sharing the road with them.
- Be predictable; hand signals and predictable turns are good safety practices. Signaling is also a legal obligation.
- Observe stop signs, traffic signals and warning signs. Stay right as much as possible; ride single file where roads are narrow.
- Observe the 10 mph speed limit on the Foothills Trail.
- There are some steep descents on both loops please use caution.
- Ride like you are 100% responsible for your own safety.
- Carry ID
